

Fort Belvoir

BRAC 2005 Recommendation:

BRAC 2005 recommendations have a significant impact on Fort Belvoir. DoD and Army Staff organizations in NCR leased space will be moved into better, more secure facilities on the installation and Dewitt Hospital will be expanded. Ft. Belvoir will become the NCR home for support to military leadership and its population will grow by approximately 18,000 personnel.

Gains:

- Primary and Secondary Medical care functions from Walter Reed Army Medical Center to a new, expanded Dewitt Hospital
- Army and DoD organizations from NCR leased space
- National Geospatial Agency units from various NCR leased locations and Bethesda
- ICP functions for Consumable Items to DLA from Naval Support Activity, Mechanicsburg and Wright-Patterson AFB and relocate various procurement management functions for Depot Level repairables to DLA
- PM ALTESS from NCR leased space and elements of the PEO Enterprise Information Systems from Ft Monmouth
- Selected DIA activities from various leased locations to Ravenna Station

Losses:

- Army Materiel Command Headquarters and US Army Security Assistance Command to Redstone Arsenal
- Prime Power School to Ft Leonard Wood
- US Army Criminal Investigation Division Headquarters to Quantico Marine Corps Base
- Soldier Magazine to Ft Meade
- Biomedical Science & Technology programs from the Defense Threat Reduction Agency to Ft Detrick
- Conventional armaments research functions of the Defense Threat Reduction Agency to Eglin AFB
- Army Research Office, and the Defense Threat Reduction Agency extramural research program management functions to Bethesda
- Information Systems (except PEO Enterprise Information Systems), Sensors, Electronic Warfare & Electronics research, development and acquisition to Aberdeen Proving Ground
